Such mandates will lapse at the conclusion of the AGM.

An ordinary resolution will be proposed at the AGM for the Shareholders to consider and, if thought fit, grant the Repurchase Mandate to the Directors. APPENDIX II EXPLANATORY STATEMENT ON REPURCHASE MANDATE

This appendix serves as an explanatory statement to the Shareholders as required by the Listing Rules to provide the Shareholders with requisite information reasonably necessary for them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the AGM in relation to the granting of the proposed Repurchase Mandate.

REASONS FOR SHARE REPURCHASES

Whilst the Directors do not presently intend to repurchase any Shares, they believe that the flexibility afforded by the Repurchase Mandate would be beneficial to the Company and the Shareholders. Trading on the Stock Exchange is sometimes volatile. In the event that the Shares are traded at a discount to their underlying value, the ability of the Company to repurchase Shares would be beneficial to the Shareholders who retain their investment in the Company since this may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of net assets and/or earnings per Share. The Repurchase Mandate will only be exercised when the Directors believe that Share repurchases will benefit the Company and the Shareholders.

SHARE CAPITAL

As at the Latest Practicable Date, the total issued share capital of the Company is US\$17,990,200 divided into 1,799,020,000 fully paid-up Shares in issue. On 31 March 2021, 1 April 2021 and 7 April 2021, the Company repurchased 1,600,000 Shares, 1,158,000 Shares and 678,000 Shares, respectively, on the Stock Exchange, and such Shares are expected to be cancelled on or before 20 April 2021. Assuming that all the aforesaid Shares that have been repurchased are duly cancelled on or before 20 April 2021, the total issued share capital of the Company as at the date of this circular is US\$17,990,200 divided into 1,799,020,000 fully paid-up Shares in issue.

Subject to the approval of the Repurchase Mandate, the exercise of the Repurchase Mandate would enable the Company to repurchase up to a maximum of 179,902,000 Shares, assuming that there are no issues of new Shares or any Shares which may be allotted and issued pursuant to the exercise of any options which have been or may be granted under the Share Option Scheme, or Share repurchases, from the Latest Practicable Date to the date of the AGM.

SOURCE OF FUNDS FOR SHARE REPURCHASES AND IMPACT OF REPURCHASES

Share repurchases by the Company must be funded out of funds legally available for such purpose in accordance with the Articles of Association, the Cayman Islands Companies Act, the applicable laws and regulations of the Cayman Islands and the Listing Rules. A listed company is prohibited from repurchasing its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time. Subject to the foregoing, any Share repurchase by the Company may be made out of the profits, the share premium account of the Company or the proceeds of a fresh issue of Shares made for the purpose of the repurchase or, if authorised by the Articles of Association and subject to the Cayman Islands Companies Act, out of capital and, in the case of

any premium payable on the repurchase, out of either or both of the profits of the Company or the share premium account of the Company or, if authorised by the Articles of Association and subject to the Cayman Islands Companies Act, out of capital.

As compared with the financial position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 December 2020 (being the date to which the latest published audited accounts of the Group were made up), the Directors do not consider that there would be a material adverse impact on the working capital or gearing position of the Company in the event that the Repurchase Mandate is exercised in full. The Directors expect to exercise such mandate if and to such extent only as they are satisfied that the exercise of such mandate will not have any material adverse impact.

IMPLICATIONS UNDER THE TAKEOVERS CODE AND MINIMUM PUBLIC FLOAT

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interests, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge of the Directors, the Wong Family controlled the exercise of approximately 39.29% voting rights at the general meetings of the Company with Mr. Wong Kam Fai and Mr. Wong Kam Keung, Barry jointly controlled in addition the exercise of approximately 1.48% voting rights at the general meetings of the Company.

In the event that the Directors exercise in full the power to repurchase Shares pursuant to the Repurchase Mandate, the interests of the Wong Family would be increased to approximately 43.65% of the issued share capital of the Company, while the additional personal interests of Mr. Wong Kam Fai and Mr. Wong Kam Keung, Barry would be increased to approximately 1.65% of the issued share capital of the Company. Such increases will give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors have no intention to repurchase any Shares to the extent that it will trigger the obligations under the Takeovers Code to make a mandatory offer.

The Listing Rules prohibit a company from making repurchases on the Stock Exchange if the result of the repurchase would be that less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the issued share capital of that company remains in public hands. The Directors have no present intention to exercise the power to repurchase Shares to the extent that the aggregate amount of the Shares in the public hands would be reduced to less than such prescribed minimum percentage.

APPENDIX II EXPLANATORY STATEMENT ON REPURCHASE MANDATE
